

beauty

capture beauty

sun
sky
trees
grass
bird bathing
in a peaceful brook
deer drinking
from brook
rabbit running
through corn stalks
adultery

freeze beauty make

it unreal
here:never

taking photograph

taking piece
frog sitting waiting rock until
unlucky flying by gone
now

couldn't snap photo

faster couldn't fly slow fly

paper making

sense pen too tall
stalk falls not
worth one dollar
here:never
a grapevine encaged words
a page digital photos
universal non self

existing

tele tellem me

where has all the beauty gone

follow water

not winter water

mississippi never stopping
sometimes stops
water proof cameras float under
frogs better
poets spoken word
poet slamtasticizers i
am judas
satans favorite flavor of
orbit doesn't matter i

am here:never again

betraying best

friends for

never i have no

shape should have sold her

make something

can't have her no

photographer

writer

direction

choosing chewing

locking lips

lusting scheming evil

scheming

never telling

any two

one knows

two knows

perpetually betraying best

friends keep secrets blood

pump malfunctioning

ventricle keeping

secrets for buttons

pain sinking

staring at a butterfly

helps until frogs

perform poetry

on their wings
