

Self Portrait in Four Parts (after Mancini)

1. the mind regarded as a store of things remembered

[ imagining being kissed while reading *jane eyre* ]

[ i hope he's thinking of me ]

[ looking at the clouds and seeing my face ]

[ breaking my ankle by falling down stairs ]

[ getting out of dracut and heading to college ]

[ breaking up ]

[ finding holes in my memories ]

[ letting my hair grow ]

[ going to church for the last time with my parents ]

## 2. idiosyncrasies

[ looking at a gauguin in the museum of fine arts ]

[ late for...again ]

[ after thanksgiving dinner ]

[ yearning for the horizon ]

[ Ready at ten paces ]

[ where did I put those keys? do you see them? ]

[ daydreaming ]

[ fighting for... ]

[ like a cat in the sun ]

### 3. trying on new hats

[ drunk on vodka ]

[ just one of the boys ]

[ going goth ]

[ “that’s highly illogical” ]

[ femme fatale ]

[ the muse deigns to visit ]

[ strip tease ]

[ pretending to be disinterested ]

[ one bad mother-fucker ]

[ fitting in? ]

4. psyche

[ listening to people laugh ]

[ not good enough ]

[ feeling pretty ]

[ just try to touch me! ]

[            ]

[ feeling like an A today ]

[ too many thoughts to sleep ]

[ someone watching me? ]

[ cutting ]

[ unraveling ]

[ returning to myself ]
