such a girl
even the
hands
nose
teeth
lips
uterus
tongue
eyes
ears
fingernails
hair
wrist
cheeks
ossicles
fingers
ankles
toes
leg
knee
thigh
elbow
skin
hips
buttocks
anus
throat
ear lobes
shoulders
skull
jaw
spinal cord
backbone
rib
chin
i remember his hands
what does she feel
does she remember
as she done it again
will she stop
with me
who else
his hands feel like hands like pliers like prying his hands
feel
still
am i right
might ra mitochondria
victim
