

Fall

Fall

sky

and

sea

there is no boat

that can

Fall

The mind

d

r

i

p

s

slowly into

mystery

black and more so to override

a sense

still hanging to clarity

dominating the wells

and

and

there is

no

there is

no

there is

No

there is

NO

it can't be

or won't

won't allow

won't let

to be as is

is it

or shall it

compress

the mountains into

oceans

Fall

Beat

atop the roof pains

run

Beat

Fall

Upon gravel scraped

waves in the wood
a box to
unlock
Fall and
Beat
Strap the laces Free the pages
unbound
Beat
Fall
Filling fully
Fall ing
Pulse through all
veins
live
living
Alive
still seeing ghosts
of
Beat
maybe could be will be won't be
is
Fall
A harp pluck to send the letters
still
unwritten
Beat away on that
Fall Drum
Forward onward upward
Backward
Beat
Flipped and folded
rewritten in a new
language
now permissible
so longed for
yet
Beat
and
Fall
and
won't
and

shouldn't
 and
 couldn't
 and
 stop
 ma ni pu late
 sorry
 Record reeling
 From circle to circle in
 Climax
 Fall i n g
 to a place... is it
 now
 here
 there
 where
 seven locks to pick
 2 years to live
 or
 Fall
 Beat en to the end
 is it
 a race
 a dance
 a calling
 a warning
 Fall away status quo
 is a
 trap
 block
 dead end
 Dream of spice
 choice
 the Y and the M
 Forbidden to
 Fall into place
 Beat
 the breaking sun
 Beat
 the darkening moon

Fall

the sheets on stillness

and

dust

time

age
