

Cell Phone Guy Advises Man Entering Divorce

As you can see
These are your choices.
Give it some thought because I'll level with you,
You're locked in for eighteen months.
But after then you'll think differently,
Trust me.
If I had a dollar for every one of you I see.
Stay in the shaded area and your children
Will always reach you.
Watch the minutes before seven like a hawk,
Keep a power source close by
And
 If at all possible
 Avoid roaming.
