

BAGATELLE FOR ANCIENT VALUES, JAW HARP AND LYRE

What is worth believing is impossible to believe and really  
Recognize the microchip the matchbook the God particle

that only that is what will save you someday from insane  
catalytic convertors snowblowers salmon fillet shucked  
oysters

pyres so rrow and deprevation. The ghost notes don't know  
instant coffee windowsills personal computers personal space

knowknow they are phantom limbs , irrefutable evidence of forces  
hemophilia take out styrofoam first class  
space heaters

injurious conspiring to deceive us of ourselves and one another.  
Grammy nominations soft drinks shampoo plus dander  
conditioner

Don't do screamed the .The unites (Or  
this , Odysseus suitors mystery us. shall  
we)  
Not I I I assure you myths are made of. There  
the stuff be dragons.
