In Li

ght of what allows me to illuminate this

room, I'm positive this won't be cast

in a negative light.

A pacifist's passive fists, come not

in the form of battery,

but in leaden and acidic syllabic

reactions -\- verbal abuse; don't re

tort or contort: it(')s use

less, profess, confess and distress,

my miss

demeanor; AMPED –

galvanized err charged,

with manslaughter

but on the current

circuit, it's difficult to alternate

to a direct solution other than: Choo. Choo.
